* Like all variable gauge floors, it is possible for the finish on Storehouse Plank to experience accelerated wear at the edges where thicker flooring is exposed to lateral contact. This is normal and expected, and not covered by the finish warranty. The finish on Storehouse Plank is designed to meet our strictest specifications and is expected to give maximum protection to the floor for 50 years.

Solidly Crafted, Aged To Perfection

In generations past, storehouses and utility buildings were built with rough milled hardwood lumber, valued for its strength and durability. Now, time and use have revealed the inherent beauty within, displaying the authentic honesty of real wood. The Storehouse Plank Collection captures the centuries of aged perfection in every solid plank.
